- Ensure all operations conform to legal regulations with regard to health & safety and hygiene requirements.
- Take pride and accountability in the appearance of the attraction.
- As our animal expert, lead interactive and educational animal sessions with guests ensuring excellent guest service and engagement.
- Ensure guests follow safety guidelines around the animals such as handwashing.
- Monitor the animals' behaviours and health, reporting any concerns and liaising with a veterinarian where required.
- When advised by the veterinarian conduct basic veterinary tasks such as administering medication, quarantining animals and keeping accurate records.
- Organise regular care for the animals such as vaccinations, worming, shearing, nail trimming etc.
- Maintain the animal area in line with legal regulations and animal welfare standards, including but not limited to lifting feed and cleaning pens.
- Manage the feeding and cleaning schedule, ordering stock where required and communicating to the wider team any tasks that will need undertaking.
- Organise and conduct regular inspections of the animal area to ensure it is secure, maintained and clean.
- Participate in enrichment activities to stimulate animal behaviour and wellbeing.

- Comply with all relevant legislation and codes of practice in relation to animal welfare and wellbeing.
- Keep up to date with changes to the Industry Code of Practice and communicate as necessary.
- Monitor zoonoses information and comply with any requirements.
- Ensure our team is trained on our animals and animal welfare basics, where relevant organising training with professional bodies.
- Maintain animal keeping records and ensure we have any licenses required,
- Prepare documents for inspections (for example by KIWA or Environmental health)
- To help source animals and arrange for their transport and arrival at Greenwood.
- Conduct risk assessments for animal area from the perspective of team, guests and animal welfare.
- Deal with all guest feedback professionally.
- Attend all training sessions and team meetings as required.
- Work towards KPI's and personal development blueprint.
- Ensure that all policies and procedures are adhered to
- Identify any suggestions for improvement to enhance the guest experience within the attraction.
